*Re: FOIA Request FY2019-050 Final Response*

Dear Mr. Evers:

This letter is in final response to Freedom of Information Act (FOIA), 5 U.S.C. § 552 request that you sent to the Council on Environmental Quality (CEQ). You have sought the following:

All records reflecting communications (including email messages, email attachments, calendar invitations, memoranda or background material for meetings, or handwritten or typed notes taken during meetings) between any political appointees\* at your agency and any employee or representative of Ballard Partners...

CEQ conducted a search for responsive documents and identified 76 pages of documents responsive to your request. We have determined that exemptions be applied in 121 redaction instances pursuant to 5 U.S.C. § 552(b)(6), which protects information from disclosure that would constitute a clearly unwarranted invasion of personal privacy. Specifically, phone numbers and email addresses were redacted.

This release constitutes a denial in part. Release of this information does not foreclose CEQ from later claiming an exemption or privilege with regard to any similar documents in response to a subsequent FOIA request.

We expect that you are satisfied with the action on this request. You may challenge the adequacy of the search by submitting a written appeal within ninety (90) calendar days to [efoia@ceq.eop.gov](mailto:efoia@ceq.eop.gov). Appeals may also be sent via facsimile to (202) 456-0753 or via U.S. postal mail addressed to: FOIA Appeals Officer, Council on Environmental Quality, Executive Office of the President, 730 Jackson Place NW, Washington, D.C. 20503.

EXECUTIVE OFFICE OF THE PRESIDENT  
COUNCIL ON ENVIRONMENTAL QUALITY  
WASHINGTON, D.C. 20503

You may obtain additional information by contacting me by email or telephone. Also, you have a right to seek assistance or dispute resolution services from the Office of Government Information Services (OGIS). Their webpage is <https://ogis.archives.gov/> and their phone number is (202) 741-5770.

Thank you for making the introduction, Heideh.

I left CSX recently and started working for Ballard Partners which is a small FL-based firm. An exec from my client, Mosaic (largest marketer and producer of phosphate), heard your presentation at EEOB earlier this week, Alex. She was impressed and would really like the opportunity to meet you. Please let me know if you have any time for a brief meeting later in the month.

I hope y'all have a great long weekend.

Rebecca

Thank you for making the introduction, Heideh.

I left CSX recently and started working for Ballard Partners which is a small FL-based firm. An exec from my client, Mosaic (largest marketer and producer of phosphate), heard your presentation at EEOB earlier this week, Alex. She was impressed and would really like the opportunity to meet you. Please let me know if you have any time for a brief meeting later in the month.

I hope y'all have a great long weekend.

Alex – I want to connect you with Heather Reams/CRES who is running the show for Nat Clean Energy Week. Heather needs a couple of things (bio, headshot) for the next week's panel discussion at Press Club. Thank you and hope you're well.
